**Miss-Sire** Benjamin Lewis Greig

"First of a trilogy of books 'Miss-Sire' looks at my views of the world as travelled and looks at aspects of people and places I have met along then rolls them into a composition of mystery, deception and sex. Sometimes wishing for what you want or being given abilities to achieve it is not always going to work in your favour either but now I am preaching to the converted. Looking back we all have days like 'Erin' but could you, would you survive going through what she is put through are you even half that adventurous? Would the world and people act that badly to something that 'good' in reality? My view is yes....
