The Spirit and Art of Conflict Transformation: Creating a Culture of Justpeace Thomas W porter
Transforming conflict into a positive rather than a negative force is a spiritual pursuit and needs to be grounded in biblical principles: love of God, neighbor, and self. This book is a resource for leaders, ministers, mediators, facilitators, and conflict transformation consultants who want to approach the work in this way. Part 1 explains how we can prepare ourselves for the work of engaging conflict, Part 2 explores how we engage others in conflict transformation, outlining specific processes. Interwoven with the practical instructions are stories that illustrate the potential for this new "justpeace" approach.
