## **The Truth about God** Franz Kiekeben

Can we prove that God does not exist? Franz Kiekeben, a former lecturer in philosophy at Ohio State University, claims that we can. In this radical new defense of atheism, Kiekeben shows, among other things, that the strongest arguments for God's existence fail; that the Bible offers no evidence in support of theism; that morality does not depend on the existence of a creator; and most important and surprising of all, that no gods can possibly exist.
