The must-read book on days you're either up or down. Within these pages I'll spare you lots of overwhelming evidence embedded in real life situations. But to get your attention, I'll give you cause to think about what others think and say about life's ups and downs. I'll also give you cause for lots of chuckles. They produce aching belly laughs, haunt you with insuppressible snickers, and relieve nasty stress. You do not need to feel embarrassed. Go ahead and laugh. Laugh heartily. I and others who have gone through the wringer oftentimes kept our sanity because — above all — we kept our wits. As you turn the pages, it's the likes of you, your friends and strangers who share their thoughts and laughs with you. Here's inspirational reading that opens eyes wide and motivates hearts. I will have you rolling in laughs and mired in thought-provoking humor. Chuckle and think! It's a must-read book on those days when you are down or you wish to share laughter and thought with others. It's also an apathy shaker. Real-life excitement of what others — you may recognize them and their demeanor also as your next-door neighbors — think about life. Read sizzling chuckles, feisty anecdotes, wild stories, funny sayings, jokes and thought-provoking messages.
