The story of a young woman, delivered into association with a psychotic killer by traffickers in porn and mind control, who witnessed a murder... who is currently serving two life sentences for that crime... Here is the paper trail of the corrupt prosecution that framed her...

You will discover:

- 1) her ordeal to come forward
- 2) a classic case of coercion and denial of civil rights
- 3) the way a killer's psychotic bragging was used by the prosecution to define a case
- 4) the way exculpatory evidence was hidden from the defense
- 5) the way erroneous assertions by the prosecution were used by the media, by judges reviewing the case, and even by her own counsel in order to avoid analyzing the record and the probability of her innocence
- 6) the ways appeals counsels have denied any input that would require them to investigate official misconduct
