George Kronenfeldt is an unemployed engineer with one shot to keep his daughter's belief in Santa intact. When Megan tells him the only way she will believe in Santa is if she can videotape him and then tells her fourth grade class she will prove the existence of Santa Claus by posting her video to YouTube, George realizes he must become the Real Santa. He devises a plan to land nine reindeer on his roof and go down his chimney, hiring a broken down movie director who eventually has him funding a full scale production that bankrupts him and threatens his marriage. When George goes to find the "Real Santa" to help him, the line between what is real and magic is crossed. Real Santa is a funny heartwarming story of parenthood gone wrong and illuminates what lengths parents will go to keep their children happy. (William Hazelgrove)
