To a generation, *Knight Rider* represents more than just a sophisticated talking car and its driver. It represents the vision of Wilton Knight and what technology can accomplish when combined together to invoke the belief that *one man can make a difference*. Michael Knight and K.I.T.T. defied the odds inside a sleek, black, Trans Am that could turbo boost, drive on two wheels, repel bullets, race through treacherous terrain, and crash through any obstacle thanks to its molecular bonded shell which made the car virtually indestructible.

Devon Miles, Bonnie Barstow, April Curtis, and Reginald Cornelius III (RC3) operated in the background to help Michael and K.I.T.T. battle criminals who operated above the law.
