John Constantine is an unconcerned, amoral occultist with a British working-class background. He's an anti-hero who manages to come out on top through a combination of luck, trickery and genuine magic skill.

V FOR VENDETTA illustrator David Lloyd provides painted artwork for the tale of an encounter with a strange woman who is the embodiment of the world's horrors. This volume also features some of Constantine's earliest adventures including his first victory in the long war with the demon Nergal.
