"Brilliant and moving...everything about this book was wonderful."

The hardest second chance they'll ever take.

For six years, Sydney Davis has completely avoided the man who broke her heart. Now she needs a favor, and ranch owner Cam Thatcher is the only one who can do it. She thought she was over him -- but when she sees him again after all this time, her powerful attraction returns stronger than ever.

Cam wants nothing to do with the woman he used to love -- especially when he finds out she's marrying the man who's trying to destroy him and take his ranch. But he soon realizes his feelings aren't as buried as he thought. When he learns Sydney doesn't know about her fiancé's dark side, he races to stop her from making the biggest mistake of her life.

If you love contemporary romance and romantic suspense, don't miss this steamy, emotional story of first loves, second chances, and the healing power of love.
