#### **Jerry Melgar:**

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this History of the American Whale Fishery: From Its Earliest Inception to the Year 1876 (1878) can make you really feel more interested to read.
