### **Learn Spanish the Easy Way!**

The following book is a powerful tool. It contains proven steps and strategies on how to learn Spanish, a Romance language also known as Castilian. The Spanish tongue is the third most spoken language in the world by total speakers, after English and Mandarin; it is recognized as one of the official languages of the United Nations, European Union, and Organization of American States, among others. Therefore, it is crucial to possess knowledge of this beautiful language spoken by so many — in so many different ways — around the world. We have sectioned the book in a way that will gradually expose you to the concepts necessary for each step. This will ensure that you obtain the necessary information to learn about a subject, evaluate yourself on it and receive real life examples, before continuing to the next subject. If necessary, you may re-read a subject before continuing, and the end of each chapter will give you a small review of what you learnt. Perhaps you will not be the next Miguel de Cervantes after finishing this book, but you will definitely be able to book those vacations to Spain or Argentina without a worry about how you'll ask for the national dish at a restaurant, or talk to that overseas manager from the company branch in Mexico...The possibilities are endless!

### **Here Is A Preview Of What You'll Learn...**

- Alphabet, Vowels, Pronouns and Gender
- Numbers, Colors & Common Vocabulary
- The Spanish "To Be" – Ser y Estar
- Sentence Structure, Types of Sentences & Connectors
- Greetings, Introductions and Farewells
- Asking for the Time and Directions
- Asking and Giving Directions
- Adjectives
- Types of Verbs
