The Aging Rebel: Dispatches From The Motorcycle Outlaw Frontier Donald Charles Davis

In 2008, Donald Charles Davis, as The Aging Rebel, began writing news reports, essays and reviews aimed at an audience of motorcycle outlaws. The 50 selections in this book were originally published on the web at www.agingrebel.com. Readers have described the site as “William Saroyan meets Hunter Thompson.”

“What sets this site apart from everything else out there,” one fan wrote, “is the amazing literary coverage (journalism in probably its finest form) of the most riveting real-life story lines imaginable in this age of the celebration of the vapid and irrelevant. Rebel’s writing makes me laugh at what’s not funny. The work is a real contribution to the efforts of Western literature in general, and a celebration of true Americana. It’s uplifting, unifying and edifying at once, and appropriately hilarious.”
