Trina's got a decent job at a big company in suburban Chicago, a funny, talented best friend, a loving family, and a cute boyfriend who shares her addiction to True Hollywood Story. When her friend Jane reads her tarot cards and predicts romantic upheaval, Trina's still shocked when she finds out Rick is cheating on her. To get over him, she decides to distract herself with a series of new relationships—and new underwear to boot. In the meantime, she's caught up in her super-achieving older sister's struggle to have a baby and faces losing her job in a corporate reorganization.

Will Trina find a guy who wants what she does—to get married, or at least engaged? Should she stay in the city, or is it time to grow up and buy a place of her own in the suburbs? Can Jane's tarot cards predict the future? And is thong underwear really the answer for a formerly basic-bikini-panty-type of girl?

White Bikini Panties explores these questions during a six-month span of Trina's life. This first-person “chick lit” novel will appeal to readers of women's contemporary fiction. They'll relate to Trina and her struggle to heal her broken heart and find her place both in her family and the world at large while she learns about tarot cards, body language, and the mysterious allure of thong underwear along the way.
