England & Scotland, 1668: Kendra Chase's brothers are telling her it's high time she get married. But although they've presented her with many wealthy, titled suitors, no man has caught her fancy--until her coach is held up by a dashing, mysterious highwayman. When she and the dangerous man are caught in a compromising embrace and her overprotective brothers insist they wed, Kendra cannot believe it. Are they really desperate enough to match her with an outlaw?

Patrick "Trick" Caldwell is the Duke of Amberley--and also the notorious Black Highwayman, an identity he has assumed in order to right past wrongs and serve his king. But his already complicated life becomes positively convoluted when he finds himself compelled to marry a red-headed temptress he's only just met.
