It's hard to go anywhere these days without seeing a pile of discarded wood pallets. To most of us, these are simply a rubbish byproduct of our modern delivery process, worth no more than the plastic that shrink wrapped its contents. This book will teach you how to forget that attitude and create incredibly beautiful, functional and fun items from these forgotten gems.

## **This book will teach you:**

- An introduction to the concept of "Upcycling"
- How to create functional and fun projects that will transform junk into amazing conversation pieces!
- How to differentiate between the different types of pallets, and where to find them.
- More!
