The book showcases 35 simple motifs that can be stitched onto any number of textile objects, including a French café on an apron, cheerful weather clouds on canvas shoes, or a beaming moon on a lampshade, and is accompanied by easy-to-follow instructions. The projects are split into fun chapters, themed according to their uses: Eat, Sleep, Relax, Work, Play, Dress, Bath and Celebrate, and the instructions are as clear and simple as the motifs themselves. The items are often embellished with buttons and contrasting fabric trims and for each motif there is also a 'Stitch it!' star with suggestions for further uses of the motif, all of which gives the reader a wealth of inspiration for any project they wish to take on board. With an introduction to all the different stitches used in the book and a few bonus patterns should you wish to make your own pillowcase, apron or doorstep, this is a gorgeous book that will help you brighten your home or the faces of friends and family.
