Prince of Spies (Dragon Knights Book 4) Bianca D'Arc

Can the master of stealth master a maiden's fragile heart?

Dragon Knights, Book 4

Nico is known as the Prince of Spies for a reason. He's a cunning shapeshifter able to take the form of a dragon at will—the gift of his royal heritage.

Riki lives in misery, chained up to serve a mad king's perverted magic. Forced to use her draining healing skills to keep him alive, Riki is a shadow of the woman she should be.

Nico knows Riki is the woman he's been searching for the moment he sees her sad, beautiful face. He wastes little time breaking them both out of the enemy palace, beginning an adventure that will take them across two countries, through peril and danger, and the discovery of an undeniable love and mutual respect.

With the help of an old friend and ally, Nico teaches her the many varied and exciting ways of pleasure. Riki teaches him a thing or two in return—including the fact that he should never underestimate her. Will Nico have the courage to let her fly free, trusting she'll return to him, or will his love smother the fledgling beauty who is breathing free air for the first time in her tragic life?

This book is a re-issue – all the books in the series will be re-issued.

Warning: Contains a princely scoundrel who enjoys a little exhibitionism when the mood strikes. He's also not above asking a friend to help pleasure his lady. Be careful, lest the dragon's fire singe your senses.
