The Hunk in the Santa Claus Suit... Attorney Darby Piper groaned when she saw the bulldozer blocking her driveway-she was going to be late for court! But when she ordered the undeniably tall, dark, and handsome construction foreman to clear her path, he did his best to keep her trapped... but only so he could charm her into having dinner with him. Cody Benderman liked to ruffle her feathers, to turn her orderly life into lively chaos--but could he awaken the sensuous spitfire beneath the serious business suits, and make her see it was time to fall in love? Darby's clients wanted Cody's giant holiday display removed by Christmas, and she didn't believe in mixing business with pleasure. But she*d also never enjoyed sparring, with her opponent outside the courthouse--wrestling in the snow, being tickled breathless beside a crackling fire. Cody was an all-or-nothing man when it came to matters of the heart, but could he charm the lady lawyer into breaking all her rules of romance?
