Everything comes down to ONE. One fight. One choice. One man.

Take one reformed party girl...

Nicole Washington loves a party. What kind of hot-blooded American lives in Vegas and doesn't indulge in the city of sin? But when she lands the job of her life, as the new social media relations manager for the UFL, she knows it's time for a change. She'll be promoting fights for the top MMA organization instead of closing down clubs on the strip... *too bad her sexy boss Kade didn't get the memo.*

Add two smoking hot men ...

Kade Holland, is a cocky, sexy, billionaire and owner of the UFL. He knows what he wants ... and always gets it. When he hires Nicole for the job, fight promotions are the last thing on his filthy mind.

Jax "The Ax" McCarthy is an up-and-coming fighter. What he lacks in money, he makes up in cut muscles and the heart of a champion. Nicole's panties practically melt at the sight of him... but Jax isn't the type to make a move on someone else's girl. *Unless she gives him a reason to.*

And get one very messy triangle!

After Nicole shares an intense night of passion with both men, their true natures are revealed. She learns the hard way that everything that glitters isn't gold and whether you win or lose, you always have to live with the consequences.
