Life is a Beautiful Thing: (Book Three) (Cyberpunk Science Fiction Series) Harmon Cooper

Book Four is out now!

The hunt is on.

Meme seeks revenge in Japan and later Mexico, where he is contacted by someone he assumes has been dead for years. Rinchi continues her role as a MercSecure representative, starting first in Baghdad, where she runs into an old foe. Desiring more control over the destiny of the nation, Sauria goes to extreme lengths to intimidate a rival and solidify his power.

Part techno thriller, part dystopian science fiction, *Life is a Beautiful Thing* is a series that questions what it means to be human; a collection of novels that offers a shocking glimpse into a dark future fueled by corporate deceit and high-end intoxicants.
