Introducing A New STEAMY Stand Alone Football Sports Romance By Carly White!

Sue was almost to the end of her college career and since she had been so diligent, she would be graduating with the highest honors. The honors and good grades came with a price though. Her love life was in shambles, almost to the point of non-existent. Until she found herself suddenly blind-sided and her mind was slowly changing, when the school's star quarterback had started to take a sudden interest in her. His muscled body and handsome face made her rethink her vigilance and decide that maybe it was time to have a little fun.

Axl was the typical golden boy. His family name came with an inheritance that would guarantee he would never have to work and the promise of a plethora of NFL deals assured he was always going to be set. He did not have a care in the world and spent much of his time in hedonistic endeavours. This included many of the available women on campus where he has his pick. Axl was legendary and so was his seemingly unquenchable thirst. When he sets his sights on Sue, he assumes that she will be like all of his other conquests, but she proves to be harder to crack than most.

Sue knows what he wants and she is not one to give it up lightly. His charm is turned on high gear and once she is paired with him for math class. It becomes increasingly hard for her to resist him when he is always so close. A night out proves to be more than her resistance can stand and she starts to lose herself in his dark brown eyes. The moment of truth comes and the pair is interrupted, leaving Sue to flee as her brain un-fogs. Will Sue give in to Axl's devilish ways or will she be able to keep her wits about her when their close proximity makes her thoughts a little hazy?

This is a stand alone novel with a an ultra dominant alpha male. This book contains mature themes and language. Intended for 18+ readers only.
