The Handbook of Art Therapy

Caroline Case, Tessa Dalley

The Handbook of Art Therapy Caroline Case, Tessa Dalley

The Handbook of Art Therapy has become the standard introductory text into the theory and practice of art therapy in a variety of settings. This comprehensive book concentrates on the work of art therapists: what they do, where they practice, and how and why art and therapy can combine to help the search for health and understanding of underlying problems. In this third edition, new developments in the profession are clearly described, including sections on neuroscience, research, private practice and the impact of technology on the therapeutic setting.

Caroline Case and Tessa Dalley are highly experienced in the teaching, supervision and clinical practice of art therapy. Using first-hand accounts of the experience of art therapy from therapists and patients, they cover such aspects as the influence of psychodynamic thinking, the role of the image in the art process and the setting in which the art therapist works. *The Handbook of Art Therapy* also focuses on art therapists themselves, and their practice, background and training. The book includes an extensive bibliography, encompassing a comprehensive coverage of the current literature on art therapy and related subjects, and contains a glossary of psychoanalytic terms.

Covering basic theory and practice for clinicians and students at all levels of training, this is a key text for art therapists, counsellors, psychotherapists, psychologists and students at all levels, as well as professionals working in other arts therapies.

From reader reviews:

Lindsey Gant:

Inside other case, little individuals like to read book The Handbook of Art Therapy. You can choose the best book if you like reading a book. So long as we know about how is important the book The Handbook of Art Therapy. You can add information and of course you can around the world by the book. Absolutely right, because from book you can recognize everything! From your country right up until foreign or abroad you can be known. About simple matter until wonderful thing you can know that. In this era, we could open a book or even searching by internet gadget. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's go through.

Gary Cornejo:

As people who live in typically the modest era should be update about what going on or information even knowledge to make all of them keep up with the era that is always change and advance. Some of you maybe can update themselves by reading books. It is a good choice to suit your needs but the problems coming to a person is you don't know which you should start with. This The Handbook of Art Therapy is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

Jennifer Tomasini:

Are you kind of stressful person, only have 10 or 15 minute in your morning to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are experiencing problem with the book when compared with can satisfy your short period of time to read it because all of this time you only find guide that need more time to be go through. The Handbook of Art Therapy can be your answer since it can be read by anyone who have those short time problems.

Virginia Benson:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Handbook of Art Therapy can make you sense more interested to read.
