**French: A Linguistic Introduction** Zsuzsanna Fagyal, Douglas Kibbee, Frederic Jenkins

French is used on every continent, spoken not only in France but also in Belgium, Switzerland, North America, the Caribbean, Polynesia and Africa. This is a comprehensive and accessible guide to the structure of French, suitable for those with little prior knowledge of linguistics or of the French Language. It clearly introduces the language's history, phonetics (pronunciation), phonology (sound system), morpho-syntax (how words and sentences are formed), pragmatics (how speakers express meaning), and lexicology (the study of word composition and derivation) - with each chapter showing how these aspects are subject to regional and social variation. English translations are provided for all examples, and the book contains an extensive bilingual glossary of linguistic terms, and numerous exercises and essay questions in every chapter. French: A Linguistic Introduction will be welcomed by advanced language learners, and by linguists studying the structure of this important language.

This book which can be qualified as The Hungry Hills can get you closer in growing to be precious person. By looking right up and review this guide you can get many advantages.

#### **Christine Smith:**

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this French: A Linguistic Introduction can make you sense more interested to read.
