Just F*ck Me! - What Women Want Men to Know About Taking Control in the Bedroom (A Guide for Couples) - Revised Edition Eve Kingsley

THIS IS A NEWLY UPDATED VERSION OF THE UNDERGROUND CLASSIC!

"You're the Man... Act Like One!"

Look, I know you're not a mind reader, so I'm going to be blunt...

The majority of women like to be fucked. And I mean really fucked.

Yes, the media has lied to you.

Sure, there are some women who want to lie on their backs, look into your eyes, and gently rock back and forth, but most of us want you to channel the power of the Sun through your penis and give us a good, solid pounding. Act like you want it, for God's sake!

In this book, I'm going to lay out exactly what the majority of women want and show you exactly how to give it to them. I've got a section just for you and one for your female partner, so you can feel 100% comfortable letting loose on her vagina in the way she's secretly craving.

Some of the topics we'll cover...

The Alpha Male - It's more than just being an ex-fratboy douchebag, who thinks he's still on the high school football team. I'll clue you in.

Dirty Talk - Trust me, she wants it. If she didn't, she'd fuck a mime. Speaking of, did you know Marcel Marceau was divorced three times? Enough said.

Role Playing - How she really feels about pretending to be the babysitter, a whore, and a student looking for a little "extra credit." I'll take you through her top Alpha Male fantasies...including one so controversial, I can't even mention it here.

The Art of Being Assertive - Sack up and take control! What to do...and what not to do.

Sexual Communication - Both you and your partner have needs and good communication, both verbal and non-verbal, is crucial when it comes to getting them on the table. I'll show you how to communicate "Alpha Male Style." You'll learn what to say...and how to say it.

Now that I've got you all hyped up and extremely aware of the need to please your woman, let's make that happen!

What are you waiting for? Buy the book already!
