My husband and I had recently began role playing. I was his submissive and was very obedient. My birthday was coming up and he had planned a special surprise for me. In fact, I do not think I will ever forget this particular birthday.

He made reservations for us in a very upscale hotel that was located in downtown St. Louis. My husband gave very specific instructions as to what I should do and how I should wait for him. To my surprise, he had fulfilled a long-lived fantasy of mine that I will never forget.

Since I was very young, I always had a crush on two people who were very close to me. What a wonderful treat and surprise for me when they came to the hotel where I was waiting for my husband! Since I was following my husband's instructions, I was patiently waiting in our room with my blindfold on when the two of them came in to "treat" me for my birthday.
