When you've lost your wolf, how do you get it back?

'Jane Doe' has no idea who she is or why she wakes up in a...nursing home? Full of shifters? She may not be old, but they say she is a shifter—only her wolf is MIA and she's in some kind of trouble she can't remember to boot. And there's this guy, Ryder. Something about him that makes her tingle in all the right places. If only she knew whether or not she already had a mate, why she's been stashed in shifter 'retirementville' and where the hell her animal half went.

What if your wolf picked a mate you couldn't trust?

Former pro-fighter Ryder Chase plans to get away from his no-good pack alpha, Mason, and forge a new life for himself, but there's one little problem named Jane. Ryder's wolf wants her more than he wants to breathe. Mate. Mine. Finding his mate would be good news except for the part where she knows Mason. Is Jane mixed up with his alpha's dark side and everything Ryder wants to leave behind?

Full length, stand alone novel from NY Times and USA Today bestselling author Michelle Fox. No cliffhangers! Lots of plot!
