Shannon takes the job because she's desperate. For two years, ever since her hubby left, she's drifted, aimless, trying to find some focus in life, something that stirs passion in her. Not able to hold a job, always finding herself with men who simply aren't good for her, Shannon is at her wit's end, seemingly always walking away when life gets tough, unable to trust, never able to commit.

She knows the job may be her last chance at life.

It's simple work, really, selling ads for the local newspaper. Be personable, always be positive, and in her case, always wear a dress that keeps the local businessmen interested while she sells the latest advertising package.

Shannon can do that.

But her outgoing personality and business-sexy dress does more than earn big fat commission checks. She also attracts the attention of newspaper owner Tim Martin, a man who's used to getting what he wants, when he wants it.

And he wants Shannon.

At first, Shannon thinks it's her sales success that's attracting Mr. Martin's attention, until a touch at lunch, a caress in the office, lets her know in no uncertain terms Mr. Tim Martin has his designs set on her, and she soon learns he can be quite persistent.

What's the harm, right? Bosses have been having affairs and trysts with their underlings since the beginning of time. So Shannon gives in to his desires, despite his ominous warning that once together, he demands absolute, total submission, that he will accept nothing less, and in return he will bring sensations from her body and mind she never imagined existed – but only if she's willing to give herself over to him fully.

She does, and soon Shannon finds herself in the clutches of a man – and later a woman – who demands absolute surrender; two individuals who can impart the most agonizingly intense feelings of sensual pleasure Shannon has ever known.

But Mr. Martin wasn't kidding when he said he would demand absolute and total submission. Shannon finds herself pushed to the edge, unsure how much she can do, handle, yet craving more of his domination and control in this steamy, sensual tale of submission, exploration, romance and discovery of the most carnal of delights.

When the experience goes most intense, will she run, always wondering what might have been, or will Shannon give herself over, fully, to whatever Mr. Martin desires...?

The answers are just a click away...
