For the Love of Cupcakes Anita Kushwaha

Priya Patel has wanted to become a baker since the first time she saw the light of her Easy Bake Oven. However, working as an assistant baker at Sugarplum Fairy Cakes isn't the glamorous life she dreamed about. Priya tries to impress her boss, Helen Bouffant, with creative twists on traditional recipes but her culinary skills are completely ignored as she is forced to scrub toilets and clean up everyone else's mess. After Priya is blamed for a major screw up at Sugarplum Fairy Cakes, she decides to throw in her apron. With the support of her husband, Arj, and a kick in the pants from her best friend, Mae, she decides to start her own cupcakery. Just when Priya thinks she's washed her hands of Helen once and for all, they both enter a charity bake off with a grand prize of \$10,000. Priya will have to cook the most creative, delicious cupcakes of her life and defend herself against Helen, who will stop at nothing to see Priya and her cupcakery fail. The competition gets heated but there is one thing that will keep Priya going- the love of cupcakes. Does she have what it takes to win the bake-off? Whose talent will prevail? For the Love of Cupcakes will leave your mouth watering for cupcakes and your cheeks sore from smiling.
