The Grail Quest J.R. Rain

Plagued by months of persistent dreams of King Arthur, Merlin and the Holy Grail, mystery novelist James Dupree finally sets out to England to understand the meaning behind his nightly visions.

Upon arriving in Glastonbury, a locale deeply connected to stories of Camelot, Avalon and the Knights of the Round Table, James quickly discovers that not all is as it seems in this quaint little town. There's a raven-haired girl dying of a rare lung disease, knights with swords, and perhaps strangest of all is the man who emerges from the forest...a man who just might be the greatest king Britain has ever seen.

At once inspiring and pulse-pounding, **THE GRAIL QUEST** is for anyone who dares to dream—and dares to slay dragons.

****Acclaim for The Grail Quest and J.R. Rain****

"King Arthur lives! **THE GRAIL QUEST** is a must read for any Camelot fan. An insightful look at the human condition wrapped up in a great adventure story!"

—Gemma Halliday, USA today bestselling author of **SPYING IN HIGH HEELS**

"Not only is **THE GRAIL QUEST** a wonderful Arthurian tale and page-turning adventure, but the spiritual lessons interwoven in the storyline gave me pause to consider a new perspective on many things. Let me put it this way, I'll be 'redipping' frequently into several passages—especially the one involving James and the dragon. Powerful stuff. Imagery and prose I'll never forget! And that's on top of the impish sense of humor Rain brings to his writing."

—Aiden James, bestselling author of **PLAGUE OF COINS**

"Gripping, adventurous, and romantic—J.R. Rain's **THE LOST ARK** is a breakneck thriller that traces the thread of history from Biblical stories to current-day headlines. Be prepared to lose sleep!"

—James Rollins, international bestselling author of **THE EYE OF GOD**

"I enjoyed this immensely. The protagonist, Samantha Moon, is a female vampire with a husband and children. Those predate her condition; six years ago she was attacked by a vampire and rendered into one. Now she's trying to carry on with family and private eye business, and she's a feisty, skilled person, so is doing mostly okay. It is not a horror story; she buys animal blood to eat and doesn't generally prey on humans. But her husband has an increasing problem with her coldness—not of spirit, but of body. 'You sicken me and scare the hell out of me,' he tells her. 'And when I touch you it's all I can do to not gag.' She replies, 'Words every wife wants to hear.' I love this! What makes it special are her character and nature."

—Piers Anthony, New York Times bestselling author of **ON A PALE HORSE**
